

Latrobe Presbyterian Church

Wedding Policy

November 1, 2000

Latrobe Presbyterian Church has two houses of worship, the Church on Main Street and Unity Chapel.

The churches will be used only for members of the Latrobe Presbyterian Church. Any exceptions will be made after **consideration** by the Session.

The Book of Order of the Presbyterian Church (USA) says the following about Christian marriage:

In a service of Christian marriage a lifelong commitment is made by a woman and a man to each other, publicly witnessed and acknowledged by the community of faith. (W-4.9001)

Christian marriage should be celebrated in the place where the community gathers for worship. As a service of Christian worship, the marriage service is under *the direction of* the minister and the *supervision* of the session. The marriage ordinarily takes place in a special service, which focuses upon marriage as a gift of God and as an expression of the Christian life. (W-4.9003)

Music suitable for the marriage service directs attention to God and expresses the faith of the church. Flowers, decorations and other appointments *should be appropriate* to the place of worship, enhance the worshipers' consciousness of the reality of God, and reflect the integrity and simplicity of Christian life. (W-4.9006)
